## A MESSAGE FROM MISSY

Boys Hope Girls Hope Friends,

I want to start by saying thank you to everyone involved in the success of our mission, especially over these last few months. I am very proud of our scholars, collegians, staff, volunteers, Executive Board and donors who have made it possible to continue our work during the fight against COVID-19. Because of your support, we have been able to keep our scholars and families healthy and our staff employed. We have also been supplying household essentials and food to each scholar and their families during this uncertain time. Although we are working to find a new normal, we have learned how to make our program a success in the new virtual world. Through hard work, our scholars graduated with an average GPA of 3.03 for the school year!

As I reflect on our program, I realize how vital Boys Hope Girls Hope is to our community at this time. We are shaping the lives of future leaders and changing their world through education. Now more than ever, we need your support to help our scholars and collegians through their educational journey. Please consider making a gift to support the lives of children who are academically capable and with our support will make a positive difference in our world. Please feel free to reach out to me for more information on how you can help and get involved - [mhendondeters@bhgh.org](mailto:mhendondeters@bhgh.org).

Thank you!
