## A MESSAGE FROM MISSY

Dear Boys Hope Girls Hope Friends,

As we move into spring, a time of renewal and new beginnings, I am filled with HOPE. We will celebrate the graduation of seven of our scholars in May! The restrictions of the pandemic have made the last two years of their academic experience challenging for all of our scholars, but with HOPE they have flourished and are achieving their goals. This class of scholars had an average GPA of 3.5 and have collectively received acceptances to 54 colleges and universities with scholarships totaling \$267,000 to date! We are extremely proud of how hard they have worked and how much they have grown academically and emotionally.

Thank you for playing a part in the lives of our scholars and collegians! Through your generosity of time and financial support, you have helped change the trajectory of their lives. Not only will we be mentoring our collegians this fall, we will welcome new scholars into our program who are academically capable but in need. We will support over 30 youth and their families in our program next year! I HOPE you will continue to support Boys Hope Girls Hope of Cincinnati and make a difference in the lives of this next generation of leaders.

Thank you!

Missy Hendon Deters
